What is this resource and how do I use it?

Encourage your child to practise their multiplication skills with this times table challenge. Ask your child to fill in the grid by multiplying the numbers in the column on the left with the numbers in the row across the top of the table. Time how long it takes and see if they can beat this when they complete the challenge again.

What skills does this practise?

Multiplication

Recall

Mathematical Fluency

Problem Solving

Further Activity Ideas and Suggestions

Once you've tried this multiplication activity, why not try a times table game? We've got plenty to choose from over on the [Parents' Hub](#). Have a go at this [Multiplication Squares Game - 2s, 5s and 10s](#) or have fun with this [Multiplication Dice Game](#).

Beat the Clock Mixed Times Tables Challenge KS2

How well do you know your times tables?
Multiply each number in the column on the left by the numbers in the row going across the top of the table and then write the answer in the box. Time yourself to see how long it takes you to complete each grid. Can you beat your time next time you try?
